A Bath-related Song:

Once I'm in my bubble bath,
I like to stir up more,
Half the suds go in my eyes,
And half go on the floor.
The fun is in the bubbles 'cause,
They giggle on my skin,
And when I stick them on my face,
They dangle from my chin.
And when I splash them hard enough,
They pop and disappear,
And then my bath time's over 'cause,
I've made the water clear.

Some Bath-related Activities:

- Let your child play with cups, bowls, and other unconventional water "toys" in the bath.
- Let your child bring a "water-resistant" doll or other toy into the bath to practicing giving a bath to!
- Teach your child the names of their body parts when they're in the bath, like "feet," "elbows," and "knees."

Early Literacy Tip:

Tell your child stories you've memorized or make up on the spot. (helps build Narrative Skills)
