NOTICE FOR RESIDENTS OF THE STATE OF CALIFORNIA

California law provides that for vision insurance, domestic partners of California's residents must be treated the same as spouses. If the certificate does not already have a definition of domestic partner, then the following definition applies:

"Domestic Partner means each of two people, one of whom is an employee of the Employer, a resident of California and who have registered as domestic partners or members of a civil union with the California or another government recognized by California as having similar requirements.

For purposes of determining who may become a Covered Person, the term does not include any person who:

- is in the military of any country or subdivision of a country;
- is insured under the Group Policy as an employee."

If the certificate already has a definition of domestic partner, that definition will apply to California residents, as long as it recognizes as a domestic partner any person registered as the employee's domestic partner with the California government or another government recognized by California as having similar requirements.

Wherever the term Spouse appears, except in the definition of Spouse, it shall be replaced by Spouse or Domestic Partner.

Wherever the term step-child appears, it is replaced by step-child or child of Your Domestic Partner.

NOTICE FOR RESIDENTS OF UTAH

Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - \$500,000 in death benefits
 - \$200,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 in hospital, medical and surgical insurance benefits
 - \$500,000 in long-term care insurance benefits
 - \$500,000 in disability income insurance benefits
 - \$500,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 3 IA, Chapter 28.

Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.utlifega.org or contact:

CIVIL UNION NOTICE FOR RESIDENTS OF VERMONT

Vermont law provides that the following definitions apply to your certificate:

- Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage," "spouse," "husband," "wife," "dependent," "next of kin," "relative," "beneficiary," "survivor," "immediate family" and any other such terms include the relationship created by a Civil Union established according to Vermont law.
- Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage," "divorce decree," "termination of marriage" and any other such terms include the inception or dissolution of a Civil Union established according to Vermont law.
- Terms that mean or refer to family relationships arising from a marriage, such as "family," "immediate family," "dependent," "children," "next of kin," "relative," "beneficiary," "survivor" and any other such terms include family relationships created by a Civil Union established according to Vermont law.
- "Dependent" includes a spouse, a party to a Civil Union established according to Vermont law, and a child or children (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a Civil Union established according to Vermont law.
- "Child" includes a child (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a Civil Union established according to Vermont law.
- "Civil Union" means a civil union established pursuant to Act 91 of the 2000 Vermont Legislative Session, entitled "Act Relating to Civil Unions".

All references in this notice to Civil Unions are limited to Civil Unions in which the parties are residents of Vermont.

If dependent insurance for a spouse and/or child is not provided under your certificate, such insurance is not added by virtue of this notice.

For purposes of dependent insurance, any person who meets the definition of "dependent" as set forth in this notice is required to meet all other applicable requirements in order to qualify for such insurance.

This notice does not limit any definitions or terms included in your certificate. It broadens definitions and terms only to the extent required by Vermont law.

DISCLOSURE:

Vermont law grants parties to a Civil Union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to life and health insurance that are available to married persons under federal law may not be available to parties to a Civil Union. For example, a federal law, the Employee Retirement Income Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a Civil Union in an ERISA employee benefit plan. However, governmental employers (not federal government) are required to provide life and health benefits to the dependents of a party to a Civil Union if the public employer provides such benefits to dependents of married persons. Federal law also controls group health insurance continuation rights under "COBRA" for employers with 20 or more employees as well as the Internal Revenue Code treatment of insurance premiums. As a result, parties to a Civil Union and their families may or may not have access to certain benefits under this notice and the certificate to which it is attached that derive from federal law. You are advised to seek expert advice to determine your rights under this notice and the certificate to which it is attached.

VISION INSURANCE

Benefits are available for Covered Services and Materials provided by either In-Network Vision Providers or Out-of-Network Vision Providers. However, You may be able to reduce Your out-of-pocket costs by using In-Network Vision Providers because Out-of-Network Vision Providers have not entered into an agreement to limit their charges. You are always free to receive services from any Vision Provider. You do not need any authorization from Us before seeing a Vision Provider.

In-Network Vision Providers have agreed to provide Covered Services and Materials as listed in the SCHEDULE OF BENEFITS.

If You or a Dependent incur a charge for Covered Services and Materials from an Out-of-Network Vision Provider, Proof of such service must be sent to Us. When We receive such Proof, We will review the claim and if We approve it, will pay the insurance in effect on the date that service was completed.

The benefits available under this Vision Insurance are set forth on the SCHEDULE OF BENEFITS. In addition to the Co-Payment, if applicable, You may be responsible for:

- the cost of any services or materials that are not Covered Services and Materials; and
- the cost of any service or material that is in excess of the Maximum Benefit Allowance listed on the SCHEDULE OF BENEFITS.

We do not provide vision services. Whether or not benefits are available for a particular service does not mean You should or should not receive the service. You and Your Vision Provider have the right and are responsible at all times for choosing the course of treatment and services to be performed.

When requesting Covered Services and Materials from an In-Network Vision Provider, We recommend that You confirm that the Vision Provider is currently an In-Network Vision Provider at the time that the Covered Services and Materials are provided.

VISION INSURANCE: COORDINATION OF BENEFITS

COORDINATION OF THIS CONTRACT'S BENEFITS WITH OTHER BENEFITS

The Coordination of Benefits (COB) provision applies when a person has health care coverage under more than one Plan. Plan is defined below.

The order of benefit determination rules govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the primary Plan. The primary Plan must pay benefits in accord with its policy terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the primary Plan is the secondary Plan. The secondary Plan may reduce the benefits it pays so that payments from all Plans equal 100 percent of the total Allowable Expense.

DEFINITIONS

(a) A **"Plan"** is any of the following that provides benefits or services for vision care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same Plan and there is no COB among those separate contracts

(1) Plan includes: group, blanket, or franchise accident and health insurance policies, excluding disability income protection coverage; individual and group health maintenance organization evidences of coverage; individual accident and health insurance policies; individual and group preferred provider benefit Plans and exclusive provider benefit Plans; group insurance contracts, individual insurance contracts and subscriber contracts that pay or reimburse for the cost of vision care; vision care components of individual and group long-term care contracts; limited benefit coverage that is not issued to supplement individual or group in-force policies; uninsured arrangements of group or group-type coverage; the vision benefits coverage in automobile insurance contracts; and Medicare or other governmental benefits, as permitted by law.

(2) Plan does not include: disability income protection coverage; the Texas Health Insurance Pool; workers' compensation insurance coverage; hospital confinement indemnity coverage or other fixed indemnity coverage; specified disease coverage; supplemental benefit coverage; accident only coverage; specified accident coverage; school accident-type coverages that cover students for accidents only, including athletic injuries, either on a "24-hour" or a "to and from school" basis; benefits provided in long-term care insurance contracts for non-medical services, for example, personal care, adult day care, homemaker services, assistance with activities of daily living, respite care, and custodial care or for contracts that pay a fixed daily benefit without regard to expenses incurred or the receipt of services; Medicare supplement policies; a state Plan under Medicaid; a governmental Plan that, by law, provides benefits that are in excess of those of any private insurance Plan; or other nongovernmental Plan; or an individual accident and health insurance policy that is designed to fully integrate with other policies through a variable deductible.

Each contract for coverage under (a)(1) or (a)(2) is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

(b) **"This Plan"** means, in a COB provision, the part of the contract providing the health care benefits to which the COB provision applies and which may be reduced because of the benefits of other Plans. Any other part of the contract providing health care benefits is separate from This Plan. A contract may apply one COB provision to certain benefits, such as vision benefits, coordinating only with like benefits, and may apply other separate COB provisions to coordinate other benefits.

The order of benefit determination rules determine whether This Plan is a primary Plan or secondary Plan when the person has health care coverage under more than one Plan. When This Plan is primary, it determines payment for its benefits first before those of any other Plan without considering any other Plan's benefits. When This Plan is secondary, it determines its benefits after those of another Plan and may reduce the benefits it pays so that all Plan benefits equal 100 percent of the total Allowable Expense.

VISION INSURANCE: COORDINATION OF BENEFITS (continued)

- (c) **"Allowable expense"** is a vision care expense, including deductibles, coinsurance, and copayments, that is covered at least in part by any Plan covering the person. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered an Allowable Expense and a benefit paid. An expense that is not covered by any Plan covering the person is not an Allowable Expense. In addition, any expense that a provider by law in accordance with a contractual agreement is prohibited from charging a covered person is not an Allowable Expense.

The following are examples of expenses that are not Allowable Expenses:

- (1) If a person is covered by two or more Plans that do not have negotiated fees and compute their benefit payments based on the usual and customary fees, allowed amounts, or relative value schedule reimbursement methodology, or other similar reimbursement methodology, any amount in excess of the highest reimbursement amount for a specific benefit is not an Allowable Expense.
 - (2) If a person is covered by two or more Plans that provide benefits or services on the basis of negotiated, an amount in excess of the highest of the negotiated fees is not an Allowable Expense.
 - (3) If a person is covered by one Plan that does not have negotiated fees and that calculates its benefits or services based on usual and customary fees, allowed amounts, relative value schedule reimbursement methodology, or other similar reimbursement methodology, and another Plan that provides its benefits or services based on negotiated fees, the primary Plan's payment arrangement must be the Allowable Expense for all Plans. However, if the health care provider or physician has contracted with the secondary Plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the primary Plan's payment arrangement and if the health care provider's or physician's contract permits, the negotiated fee or payment must be the Allowable Expense used by the secondary Plan to determine its benefits.
 - (4) The amount of any benefit reduction by the primary Plan because a covered person has failed to comply with the Plan provisions is not an Allowable Expense. Examples of these types of Plan provisions include second surgical opinions, prior authorization of admissions, and preferred provider arrangements.
- (d) **"Allowed amount"** is the amount of a billed charge that a carrier determines to be covered for services provided by a nonpreferred provider. The allowed amount includes both the carrier's payment and any applicable deductible, copayment, or coinsurance amounts for which the insured is responsible.
- (e) **"Closed Panel Plan"** is a Plan that provides vision care benefits to covered persons primarily in the form of services through a panel of health care providers and physicians that have contracted with or are employed by the Plan, and that excludes coverage for services provided by other health care providers and physicians, except in cases of emergency or referral by a panel member.
- (f) **"Custodial Parent"** is the parent with the right to designate the primary residence of a child by a court order under the Texas Family Code or other applicable law, or in the absence of a court order, is the parent with whom the child resides more than one-half of the calendar year, excluding any temporary visitation.

When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:

ORDER OF BENEFIT DETERMINATION RULES

- (a) The primary Plan pays or provides its benefits according to its terms of coverage and without regard to the benefits under any other Plan.
- (b) Except as provided in (c), a Plan that does not contain a COB provision that is consistent with this policy is always primary unless the provisions of both Plans state that the complying Plan is primary.
- (c) Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage must be excess to any other parts of the Plan provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base Plan hospital and surgical benefits, and insurance type coverages that are written in connection with a Closed Panel Plan to provide out-of-network benefits.

VISION INSURANCE: COORDINATION OF BENEFITS (continued)

- (d) A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is secondary to that other Plan.
- (e) If the primary Plan is a Closed Panel Plan and the secondary Plan is not, the secondary Plan must pay or provide benefits as if it were the primary Plan when a covered person uses a noncontracted health care provider or physician, except for emergency services or authorized referrals that are paid or provided by the primary Plan.
- (f) When multiple contracts providing coordinated coverage are treated as a single Plan under this subchapter, this section applies only to the Plan as a whole, and coordination among the component contracts is governed by the terms of the contracts. If more than one carrier pays or provides benefits under the Plan, the carrier designated as primary within the Plan must be responsible for the Plan's compliance with this subchapter.
- (g) If a person is covered by more than one secondary Plan, the order of benefit determination rules of this subchapter decide the order in which secondary Plans' benefits are determined in relation to each other. Each secondary Plan must take into consideration the benefits of the primary Plan or Plans and the benefits of any other Plan that, under the rules of this contract, has its benefits determined before those of that secondary Plan.
- (h) Each Plan determines its order of benefits using the first of the following rules that apply.
 - (1) **Nondependent or Dependent.** The Plan that covers the person other than as a dependent, for example as an employee, member, policyholder, subscriber, or retiree, is the primary Plan, and the Plan that covers the person as a dependent is the secondary Plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a dependent and primary to the Plan covering the person as other than a dependent, then the order of benefits between the two Plans is reversed so that the Plan covering the person as an employee, member, policyholder, subscriber, or retiree is the secondary Plan and the other Plan is the primary Plan. An example includes a retired employee.
 - (2) **Dependent Child Covered Under More Than One Plan.** Unless there is a court order stating otherwise, Plans covering a Dependent Child must determine the order of benefits using the following rules that apply.
 - (A) For a Dependent Child whose parents are married or are living together, whether or not they have ever been married:
 - (i) The Plan of the parent whose birthday falls earlier in the calendar year is the primary Plan; or
 - (ii) If both parents have the same birthday, the Plan that has covered the parent the longest is the primary Plan.
 - (B) For a Dependent Child whose parents are divorced, separated, or not living together, whether or not they have ever been married:
 - (i) if a court order states that one of the parents is responsible for the Dependent Child's health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to Plan years commencing after the Plan is given notice of the court decree.
 - (ii) if a court order states that both parents are responsible for the Dependent Child's health care expenses or health care coverage, the provisions of (h)(2)(A) must determine the order of benefits.
 - (iii) if a court order states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the Dependent Child, the provisions of (h) (2)(A) must determine the order of benefits.
 - (iv) if there is no court order allocating responsibility for the Dependent Child's health care expenses or health care coverage, the order of benefits for the Child are as follows:
 - (I) the Plan covering the custodial parent;
 - (II) the Plan covering the spouse of the custodial parent;
 - (III) the Plan covering the noncustodial parent; then

VISION INSURANCE: COORDINATION OF BENEFITS (continued)

- (IV) the Plan covering the spouse of the noncustodial parent.
- (C) For a Dependent Child covered under more than one Plan of individuals who are not the parents of the Child, the provisions of (h)(2)(A) or (h)(2)(B) must determine the order of benefits as if those individuals were the parents of the Child.
- (D) For a Dependent Child who has coverage under either or both parents' Plans and has his or her own coverage as a dependent under a spouse's Plan, (h)(5) applies.
- (E) In the event the Dependent Child's coverage under the spouse's Plan began on the same date as the Dependent Child's coverage under either or both parents' Plans, the order of benefits must be determined by applying the birthday rule in (h)(2)(A) to the dependent Child's parent(s) and the dependent's spouse.
- (3) **Active, Retired, or Laid-off Employee.** The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the Primary Plan. The Plan that covers that same person as a retired or laid-off employee is the secondary Plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the Plan that covers the same person as a retired or laid-off employee or as a dependent of a retired or laid-off employee does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule does not apply. This rule does not apply if (h)(1) can determine the order of benefits.
- (4) **COBRA or State Continuation Coverage.** If a person whose coverage is provided under COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber, or retiree or covering the person as a dependent of an employee, member, subscriber, or retiree is the primary Plan, and the COBRA, state, or other federal continuation coverage is the secondary Plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule does not apply. This rule does not apply if (h)(1) can determine the order of benefits.
- (5) **Longer or Shorter Length of Coverage.** The Plan that has covered the person as an employee, member, policyholder, subscriber, or retiree longer is the primary Plan, and the Plan that has covered the person the shorter period is the secondary Plan.
- (6) If the preceding rules do not determine the order of benefits, the Allowable Expenses must be shared equally between the Plans meeting the definition of Plan. In addition, This Plan will not pay more than it would have paid had it been the primary Plan.

EFFECT ON THE BENEFITS OF THIS PLAN

- (a) When This Plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all Plans are not more than the total Allowable Expenses. In determining the amount to be paid for any claim, the secondary Plan will calculate the benefits it would have paid in the absence of other health care coverage and apply that calculated amount to any Allowable Expense under its Plan that is unpaid by the primary Plan. The secondary Plan may then reduce its payment by the amount so that, when combined with the amount paid by the primary Plan, the total benefits paid or provided by all Plans for the claim equal 100 percent of the total Allowable Expense for that claim. In addition, the secondary Plan must credit to its Plan deductible any amounts it would have credited to its deductible in the absence of other health care coverage.
- (b) If a covered person is enrolled in two or more closed panel Plans and if, for any reason, including the provision of service by a nonpanel provider, benefits are not payable by one closed panel Plan, COB must not apply between that Plan and other closed panel Plans.

VISION INSURANCE: COORDINATION OF BENEFITS (continued)

COMPLIANCE WITH FEDERAL AND STATE LAWS CONCERNING CONFIDENTIAL INFORMATION

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under This Plan and other Plans. We will comply with federal and state law concerning confidential information for the purpose of applying these rules and determining benefits payable under This Plan and other Plans covering the person claiming benefits. Each person claiming benefits under This Plan must give Us any facts it needs to apply those rules and determine benefits.

FACILITY OF PAYMENT

A payment made under another Plan may include an amount that should have been paid under This Plan. If it does, We may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means the reasonable cash value of the benefits provided in the form of services.

RIGHT OF RECOVERY

If the amount of the payments made by Us is more than it should have paid under this COB provision, it may recover the excess from one or more of the persons it has paid or for whom it has paid or any other person or organization that may be responsible for the benefits or services provided for the covered person. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

PLAN PRIVACY INFORMATION

Notwithstanding any other Plan provision in this or other sections of the Plan, the Plan will operate in accordance with the HIPAA privacy laws and regulations as set forth in 45 CFR Parts 160 and 164, and as they may be amended (“HIPAA”), with respect to protected health information (“PHI”) as that term is defined therein. The Plan Administrator and/or his or her designee retains full discretion in interpreting these rules and applying them to specific situations. All such decisions shall be given full deference unless the decision is determined to be arbitrary and capricious.

The term “Plan Sponsor” means City of Texas City.

The term “Plan Administrator” means the entity designated as Plan Administrator by the Plan documents pursuant to which the plan is operated. If a Plan Administrator is not designated by the plan documents, the Plan Sponsor shall be deemed to be the Plan Administrator.

I. Permitted Uses and Disclosures of PHI by the Plan and the Plan Sponsor

The Plan and the Plan Sponsor are permitted to use and disclose PHI for the following purposes, to the extent they are not inconsistent with HIPAA:

- For general plan administration, including policyholder service functions, enrollment and eligibility functions, reporting functions, auditing functions, financial and billing functions, to assist in the administration of a consumer dispute or inquiry, and any other authorized insurance or benefit function.
- As required for computer programming, consulting or other work done in respect to the computer programs or systems utilized by the Plan.
- Other uses relating to plan administration, which are approved in writing by the Plan Administrator or Plan Privacy Officer.
- At the request of an individual, to assist in resolving an individual’s benefit or claim issues.

II. Uses and Disclosures of PHI by the Plan and the Plan Sponsor for Required Purposes

The Plan and Plan Sponsor may use or disclose PHI for the following required purposes:

- Judicial and administrative proceedings, in response to lawfully executed process, such as a court order or subpoena.
- For public health and health oversight activities, and other governmental activities accompanied by lawfully executed process.
- As otherwise may be required by law.

III. Sharing of PHI With the Plan Sponsor

As a condition of the Plan Sponsor receiving PHI from the Plan, the Plan Documents have been amended to incorporate the following provisions, under which the Plan Sponsor agrees to:

- Not use or further disclose PHI other than as permitted or required by the plan documents in Sections I and II above;
- Ensure that any agents to whom it provides PHI received from the Plan agree to the same restrictions and conditions that apply to the Plan Sponsor;
- Not use or disclose PHI for employment-related actions or decisions or in connection with any other benefit or employee benefit plan of the Plan Sponsor;
- Report to the Plan any use or disclosure of PHI that is inconsistent with the permitted uses or disclosures of which it becomes aware;
- Make PHI available to Plan participants for the purposes of the rights of access and inspection, amendment, and accounting of disclosures required by HIPAA;
- Make its internal practices, books and records relating to the use and disclosure of PHI received from the Plan available to the Secretary of the U.S. Department of Health and Human Services for purposes of determining compliance by the Plan with HIPAA;
- If feasible, return or destroy all PHI received from the Plan that the sponsor still maintains in any form and retain when no longer needed for the purpose for which disclosure was made, except that, if such return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction of the information infeasible;
- Ensure adequate separation between the Plan and Plan Sponsor in accordance with the following requirements:

(A) Employees to be Given Access to PHI: The following employees (or class of employees) of the Plan Sponsor are the only individuals that may access PHI provided by the Plan:

Director of Human Resources

(B) Restriction to Plan Administration Functions: The access to and use of PHI by the employees of the Plan Sponsor designated above will be limited to plan administration functions that the Plan Sponsor performs for the Plan.

(C) Mechanism for Resolving issues of Noncompliance: If the Plan Administrator or Privacy Officer determines that an employee of the Plan Sponsor designated above has acted in noncompliance with the plan document provisions outlined above, then the Plan Administrator or Privacy Officer shall take or seek to have taken appropriate disciplinary action with respect to that employee, up to and including termination of employment as appropriate. The Plan Administrator or Privacy Officer shall also document the facts of the violation, actions that have been taken to discipline the offending party and the steps taken to prevent future violations.

- Certify to the Plan, prior to the Plan permitting disclosure of PHI to the Plan Sponsor, that the Plan Documents have been amended to incorporate the provisions of this Section.

IV. Participants Rights

Participants and their covered dependents will have the rights set forth in the Plan's or its vision insurer's HIPAA Notice of Privacy Practices for Protected Health Information and any other rights and protections required under the HIPAA. The Notice may periodically be revised by the Plan or its vision insurer.

V. Privacy Complaints/Issues

All complaints or issues raised by Plan participants or their covered dependents in respect to the use of their PHI must be submitted in writing to the Plan Administrator. A response will be made within 30 days of the receipt of the written complaint. In the event more time is required to resolve any issues this period can be extended to 90 days. The affected participant must receive written notice of the extension and the resolution of their complaint. The Plan Administrator shall have full discretion in resolving the complaint and making any required interpretations and factual determinations. The decision of the Plan Administrator shall be final and be given full deference by all parties.

VI. Security

As a condition of the Plan Sponsor receiving electronic PHI ("ePHI") from the Plan, the Plan Documents have been amended to incorporate the following provisions, under which the Plan Sponsor agrees to:

- Implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the ePHI that it creates, receives, maintains, or transmits on behalf of the Plan;
- Ensure that the adequate separation between the Plan and the Plan Sponsor, which is required by the applicable section(s) of the Plan relating to the sharing of PHI with the Plan Sponsor, is supported by reasonable and appropriate security measures;
- Ensure that any agent to whom it provides ePHI agrees to implement reasonable and appropriate security measures to protect the information; and
- Report to the Plan any security incident of which it becomes aware. In this context, the term "security incident" means the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with system operations in information systems such as hardware, software, information, data, applications, communications, and people.

Uniformed Services Employment And Reemployment Rights Act

This section describes the right that you may have to continue coverage for yourself and your covered dependents under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA).

Continuation of Group Vision Insurance:

If you take a leave from employment for “service in the uniformed services,” as that term is defined in USERRA, and as a consequence your vision insurance coverage under your employer’s group vision insurance policy ends, you may elect to continue vision insurance for yourself and your covered dependents, for a limited period of time, as described below.

The law requires that your employer notify you of your rights, benefits and obligations under USERRA including instructions on how to elect to continue insurance, the amount and procedure for payment of premium. If permitted by USERRA, your employer may require that you elect to continue coverage within a period of time specified by your employer.

You may be responsible for payment of the required premium to continue insurance. If your leave from employment for service in the uniformed services lasts less than 31 days, your required premium will be no more than the amount you were required to pay for vision insurance before the leave began; for a leave lasting 31 or more days, you may be required to pay up to 102% of the total Vision insurance premium, including any amount that your employer was paying before the leave began.

You and your covered dependents insurance that is continued pursuant to USERRA will end on the earliest of the following:

- the end of 24 consecutive months from the date your leave from employment for service in the uniformed services begins; or
- the day after the date on which you fail to apply for, or return to employment, in accordance with USERRA.

You and your covered dependent may become entitled to continuation of coverage under the Consolidated Omnibus Budget Reconciliation Act (“COBRA”) while you have Vision insurance coverage under your employer’s group vision insurance policy pursuant to USERRA. Contact your employer for more information.
